

Dear Sir/Madame,

We have the greatest pleasure to invite you to participate in the **Fifth International Conference ICTEI 2015 “Telecommunications, Electronics and Informatics”**, which will be held May 20-23, 2015.

Conference sessions will be held in the Engineering and Management of Radioelectronics and Telecommunications Faculty block of the Technical University of Moldova, located on 168, Stefan cel Mare Ave., Chisinau, Republic of Moldova.

The conference presentations will cover new achievements on following topics:

1. Telecommunications Networks and Technologies
2. Electronic, optoelectronic and information systems
3. Materials, components and devices in electronic and communications
4. Information and Computer Science
5. Electromechanic Microsystems and Robotics
6. Information processing and software products
7. Standards and Measurements
8. Space Technologies
9. Information technologies in medicine and medicine equipment
10. Marketing and management in telecommunications, electronics and informatics
11. Modern Teaching Techniques Implemented in University Degree Studies

Papers will be prepared in final draft and submitted by **March, 31st 2015** to: the following address: ictei@utm.md or ictei2015@gmail.com mentioning the topic the paper refers to. Both requirements to paper format and paper template are published on the conference web-page www.ictei.utm.md. We recommend that you strictly follow the requirements for submission and take advantage of the published sample.

Presented articles will be evaluated and the decision regarding their inclusion in the Conference Program will be communicated to the author by the 20th of April 2015.

Contact Information: Tel/fax :+373(22)235236
e-mail: ictei@utm.md ; ictei2015@gmail.com
www.ictei.utm.md

The detailed Conference Program will be posted on the official web-page www.ictei.utm.md by the 30th of April 2015.

Accepted papers will be published in an ISBN indexed Proceedings issue, and at the request of the authors, in the journal [Moldavian Journal of the Physical Sciences](#).

We kindly ask you to disseminate the information about the conference in your institution.

Sincerely,

Serghei Andronic, PhD, Associate Professor

Chairman of the Organizing Committee of the International Conference „ICTEI 2015”

Dean of the Engineering and Management of Radioelectronics and Telecommunications

Faculty, Technical University of Moldova.
